The Audi R8 Coupé and Spyder

Pricing and Specification Guide

Valid from November 2012

Personalising your Audi R8

This guide has been designed to help you tailor and price your Audi R8 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi R8 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The R8 heritage

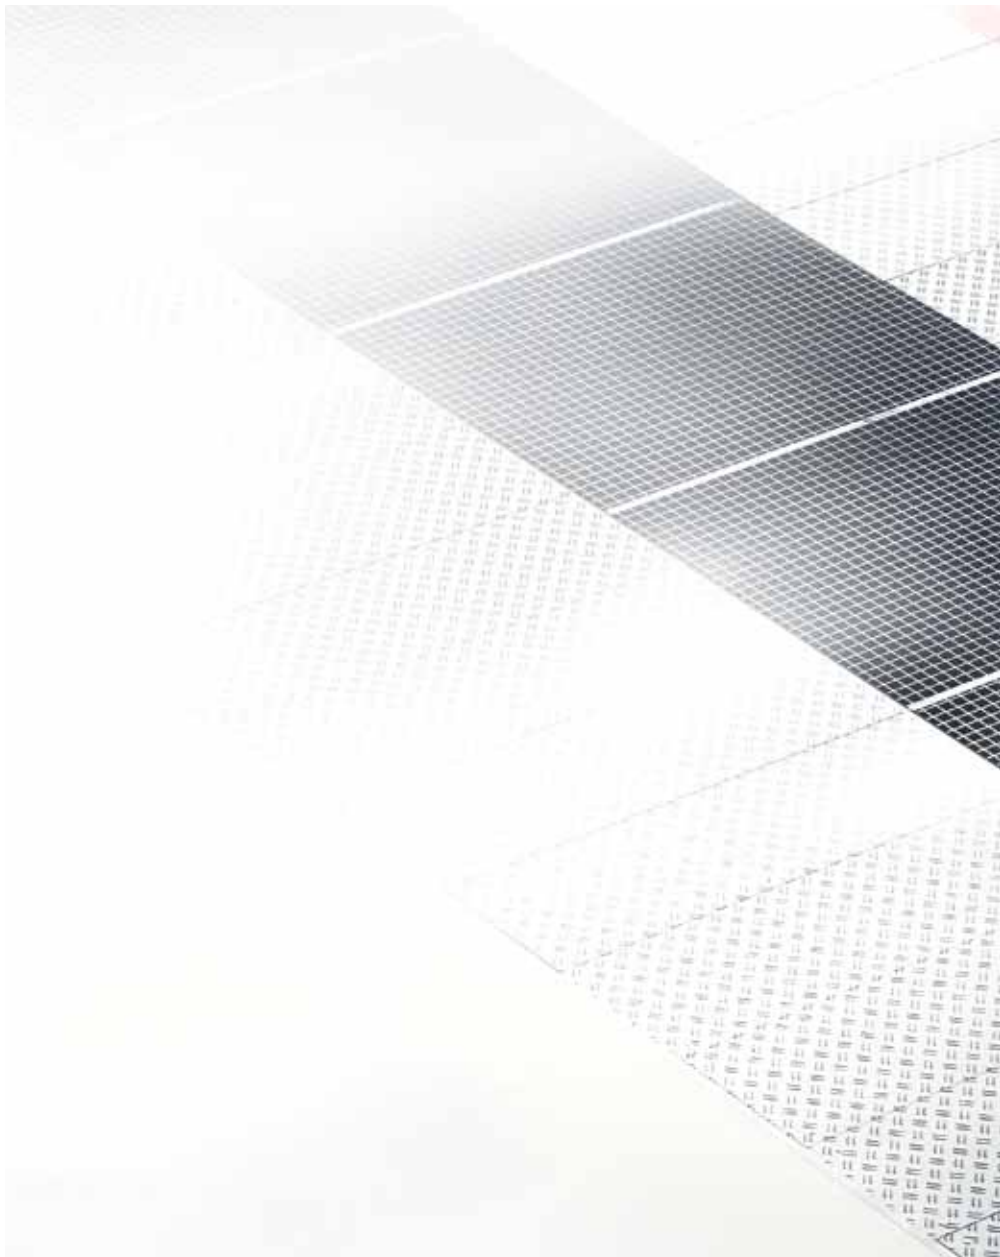
Audi has always enjoyed an enviable track record in the world of motorsport. An unrivalled combination of passion, determination, expertise and Vorsprung durch Technik has helped propel the four rings of Audi past finishing line after finishing line. With the introduction of the revolutionary quattro® all-wheel-drive technology in the early 1980s came a run of victories that will never be forgotten. And thanks to a continuing dedication to innovation and progression, that success has continued right through to the present day.

In 1999, Audi entered Le Mans for the first time. Since then, it has won the legendary endurance race again and again. It is in recognition of this unprecedented success that the Audi R8 was created – a car that has much more in common with the Le Mans-winning racer than simply a name.

Design and performance

Every detail of the R8's exterior immediately marks it out as a progressive sports car; from the emphatic, structural shape, wide air intakes and sweeping sideblades, to the retractable rear spoiler. But these design features aren't just for show. Each serves its own purpose, whether enhancing the car's aerodynamic potential or cooling the engine which sits directly behind the cockpit. And that's no easy task. Both the 4.2 V8 and 5.2 V10 powerplants are extremely high-revving, with breathtaking performance thanks to FSI® direct petrol injection and quattro® all-wheel-drive. Enabling you to get the most from them are a number of auxiliary technologies – a lightweight aluminium crankcase, quick-shifting S tronic 7-speed gearbox and optional Audi magnetic ride.

Inside its rigid yet lightweight aluminium Audi Space Frame®, the R8 has more than a hint of racing car inspiration in its layout and appearance, with Fine Nappa leather Sports seats, driver oriented instruments and a leather flat-bottomed steering wheel as standard. The perfect setting to enjoy some impressive technologies, including the optional Audi parking system advanced and the 465-Watt 12-speaker Bang & Olufsen surround sound system – if the arresting symphony of the R8's engine wasn't enough. Read on to discover more about the revolutionary Audi R8, including standard and optional equipment, paint colours and prices.



V8 FSI

The R8 craftsmanship

The Audi R8 is built on a small production line in a specially-constructed block at the Audi factory in Neckarsulm, Germany. The entire production process – from the bodyshell construction to final assembly – is organised in the same way as it would be in a craft workshop. Small teams of specialists oversee every step of production, subjecting each part and component to intense scrutiny. This ensures that every one of the maximum 29 cars built each day will more than meet the high standards of the Audi product range.

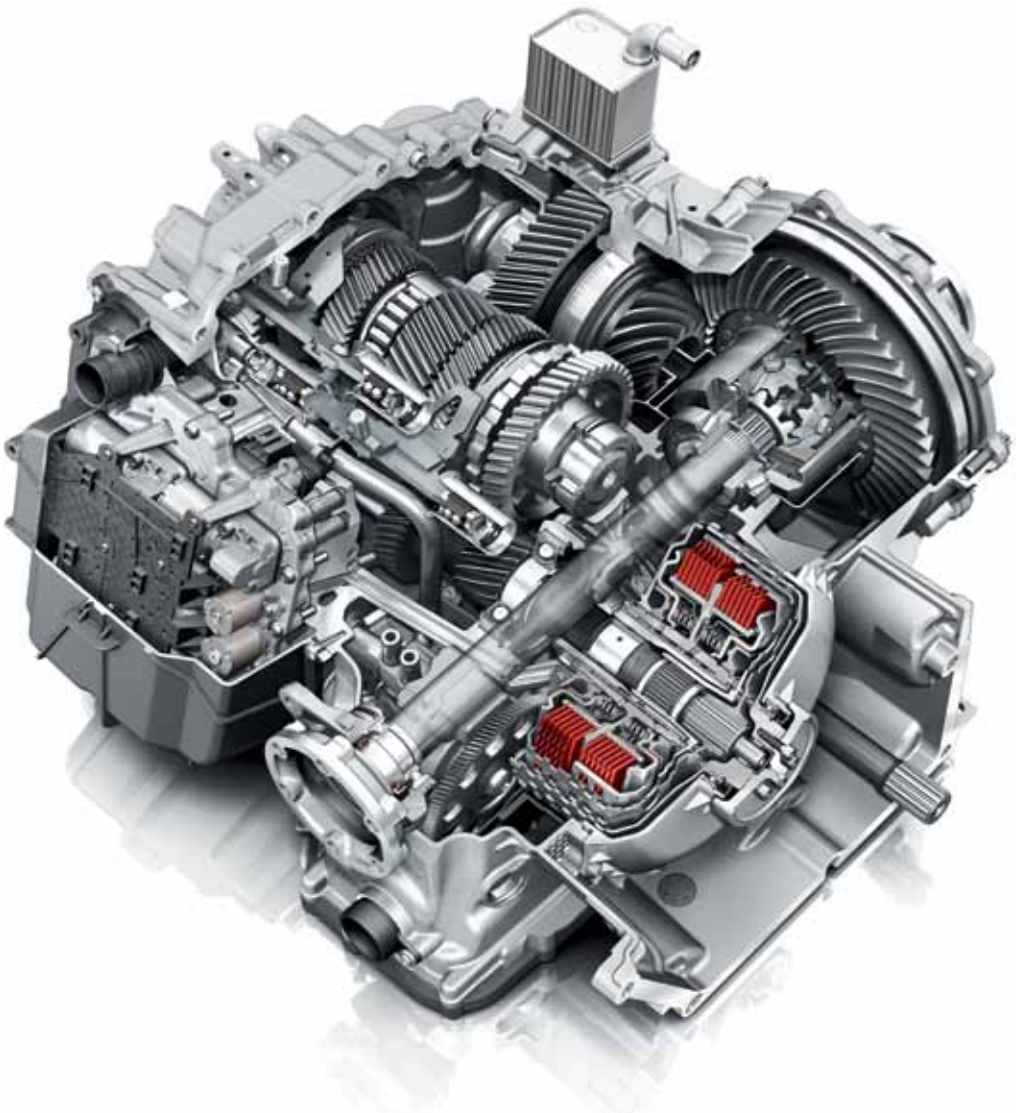
R8 interior story

We've introduced a number of finishing touches to the Audi R8 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engine

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions.

Images are for illustrative purposes only



Transmissions

Manual

By specifying a 6-speed manual transmission for your Audi R8, you'll put yourself in complete control of your driving experience. The system is matched precisely to the Audi R8's engine configuration and driving dynamics, allowing you to take full advantage of the broad spread of torque available across six closely-spaced gear ratios. Compact and lightweight, the manual system is a simple, direct way to tap into the R8's power.
A gated system provides short gearshift travel and precise lever movement, giving you the highest possible level of accessibility with the minimum of fuss.

S tronic®

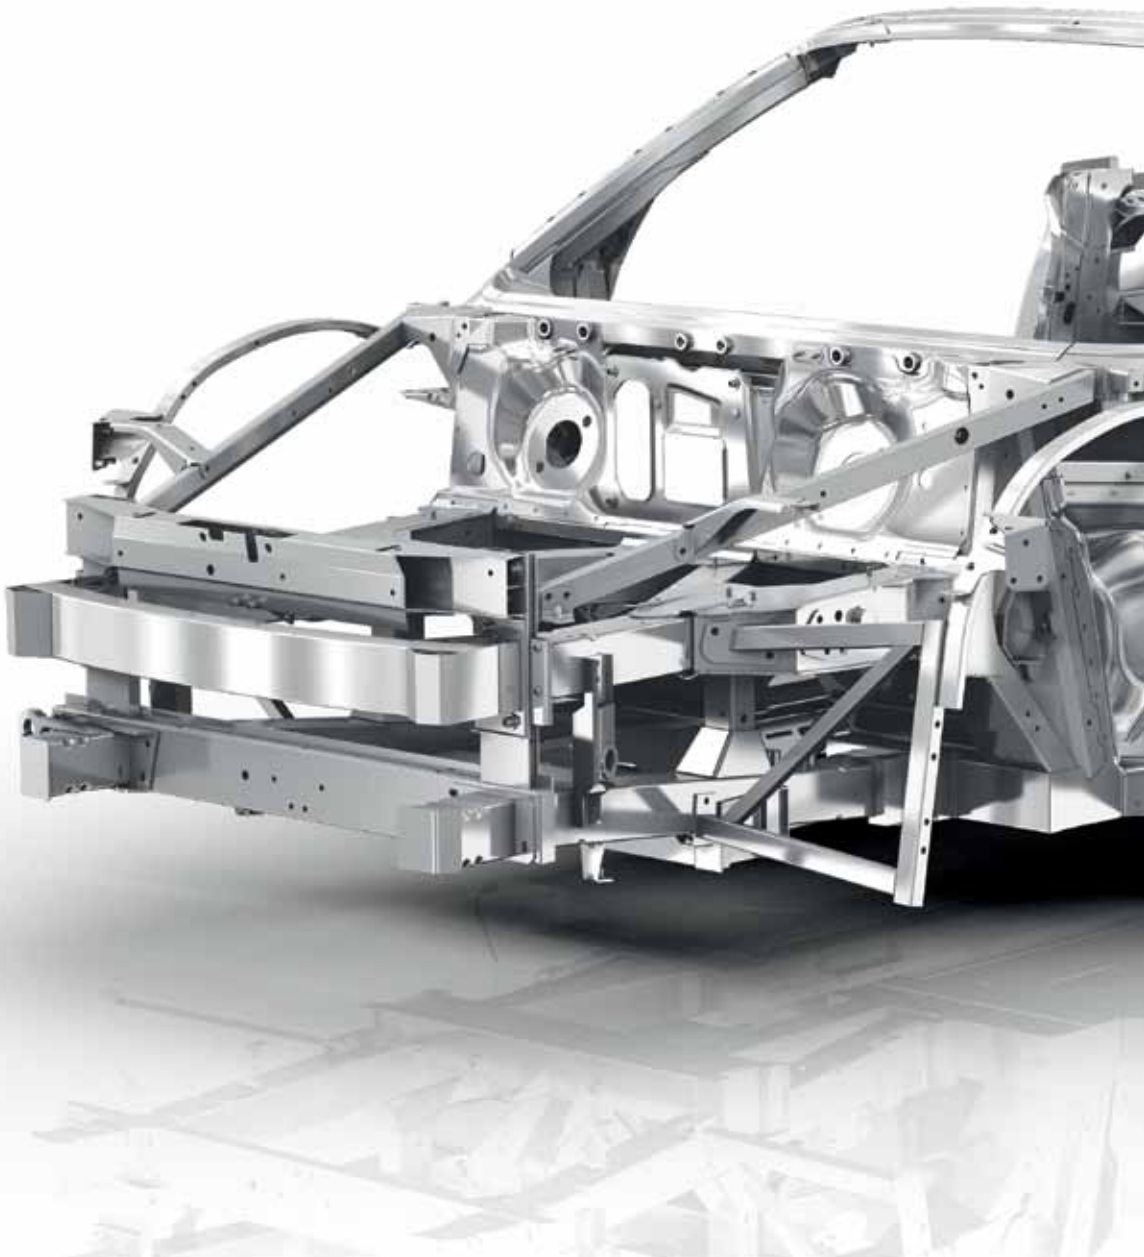
Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Technology

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi R8 so thrilling to drive. It's called quattro® all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the Audi R8 asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.



Images are for illustrative purposes only

Audi Space Frame®

The Audi R8 is built using a unique Audi Space Frame® which was introduced in 1994 and is both lightweight and extremely strong. It ensures that performance doesn't come at the expense of safety, as the car's body remains tough and beautifully balanced.

Fabric hood

The innovative Z-folding fabric hood of the Audi R8 Spyder is made from an advanced material which is lightweight and flexible. It automatically opens and closes in 19 seconds, with just one touch. Better still, it can operate at speeds of up to 31mph, so you won't have to stop your journey. When lowering, it folds neatly beneath the cover of its compact storage compartment which is just above the powerful engine.

Mid-mounted engine

The Audi R8's engine is mid-mounted, which gives it a low centre of gravity and helps it to achieve the ideal weight balance. The axle load distribution of 44:56* ensures high directional stability and superb road behaviour.

*R8 Coupé models only

R8 V8 model equipment

All Audi R8 V8 models have the following items of standard equipment

Wheels, tyres and suspension

19" '5-arm double-spoke' design alloy wheels, 19 x 8.5J front and 19 x 11J rear with 235/35 and 295/30 tyres

Locking wheel bolts

Tyre repair kit

quattro all-wheel-drive

Sports suspension with dynamically tuned spring and damper combination

Audio and communication

Concert radio with single front-loading CD player and MP3 file compatibility with active front and rear speakers

Mobile telephone preparation — Bluetooth interface with integrated seat-belt microphones and voice control. Provides handsfree connection via Bluetooth using mobile phone aerial, and voice control via the microphones integrated into the driver and passenger seat-belts. Please contact your Audi Centre for phone compatibility

Audi Music Interface. Provides connection for use with USB storage devices and MP3 players, including Apple iPod generation 4 onwards and Apple iPhone. Replicates display on the audio screen and DIS, including track titles. Interface is housed in the rear shelf between seats, and provides a charging function (dependent on device). Intuitive operation via the audio system or multi-function steering wheel

Satellite Navigation system – DVD-based. Route planning and guidance using voice, pictogram and 3D mapping. 5-digit postcode recognition. Includes AM/FM tuner with TP memo function. Single front-loading CD/DVD player with MP3-compatibility, suitable for audio and DVD playback. Includes MMI operating logic and high resolution (800x480) 6.5-inch colour TFT display, with bird's-eye map display, two integrated SD card readers, European coverage navigation DVD and dynamic route guidance via TMC

Seats

Sports seats

Electric lumbar support

Heated seats

Safety and security

Anti-lock Braking System (ABS)

Anti-Slip Regulation (ASR)

Anti-theft alarm and electronic immobiliser

Brake lights with LED technology

Wave brake discs, internally ventilated, 8-piston brake callipers at front and 4-piston at rear

Driver, front passenger and front side airbags

Electronic Differential Lock (EDL) traction control

19" '5-arm double-spoke' design alloy wheels

Retractable rear spoiler

All-LED headlights

Satellite Navigation – DVD based

Electronic Stability Control (ESC) with sports mode. Latest generation ESC version 8.0 networks the ABS, EBD (Electronic Brake Force Distribution), ASR and EDL systems and ensures greater stability at all speeds by braking individual wheels as required and overriding the engine-management system. Driver can select different ESC settings to suit different driving conditions

First aid kit with warning triangle

ISOFIX, with front-passenger airbag-deactivation switch

Remote central locking

Seat-belt reminder

Tool kit

Exterior equipment

Audi hill-hold assist

Dual-branch round tailpipes in chrome finish

Door mirrors – electrically operated and heated

Electrically retractable, heated glass rear window (Spyder only)

Exterior lighting, including exit lights

Retractable rear spoiler – deploys and retracts automatically at set speeds, or can be operated manually with the button in centre console

All-LED headlights. LEDs for all front lighting functions. LED technology provides lower energy consumption and enhanced contrast with a colour similar to daylight, for increased safety and good recognition by other road users. Includes turning light function which is activated via the steering angle or when indicator is switched on (up to speeds of 45mph). Also includes rear LED indicators with sweeping indicator function

Fully automatic, acoustic hood with one-touch operation (Spyder only)

Interior equipment

3-spoke flat-bottomed, leather-covered multi-function steering wheel (with gear-shift paddles for S tronic transmissions)

Aluminium gear knob and lever gate

Cup holder – two compartments integrated into centre console

Driver's Information System (DIS)

Electronic climate control

Fine Nappa leather upholstery, for seats and headrests, radio surround, centre console including knee bolster, lower door inserts and door handle on the passenger side

Heated engine partition window

Inlays in matt silk finish, black – upper trim on centre console, centre inlay and door inlay

Interior and instrument lighting

Lockable glove box, with light

Roof lining – black

Door sill trims in aluminium with R8 logo

Sun visors with vanity mirror

Wind deflector (Spyder only)

Audi R8 Driving Experience

Please see page 70 for further details

Aluminium gear knob and lever gate

3-spoke flat bottomed, leather-covered multi-function steering wheel

Instrument cowl and dials

Door sill trims in aluminium with R8 logo

R8 V10 model equipment

In addition to R8 V8 standard model equipment

Wheels, tyres and suspension

19” ‘10-spoke Y’ design alloy wheels, 19 x 8.5J front and 19 x 11J rear with 235/35 and 295/30 tyres

Audi magnetic ride. Adaptive suspension system with two selectable modes (Normal and Sport). Sensors in the car monitor the road conditions and adjust the damping effect by varying a magnetic charge which passes through a fluid-based shock absorber, delivering improved road handling, outstanding chassis control and excellent driving comfort

Audio and communication

Bang & Olufsen sound system. Designed specifically for the Audi R8, providing surround sound reproduction with dynamic compensation for road noise, digital amplifier and 12 high-performance loudspeakers (total output 465 Watts)

Safety and security

Tyre pressure monitoring system

Paint

Metallic or pearl-effect paint

Exterior equipment

Auto-dimming and folding door mirrors

Light and rain sensor package. Includes auto-dimming rear-view mirror and door mirrors, automatic headlight activation, automatic windscreen wipers. Also includes electrically folding door mirrors

V10 badges on front wings (and engine bay on R8 Coupé)

Interior equipment

Electrically adjustable seats

Extended Fine Nappa leather package. Includes Fine Nappa leather for dashboard, top shoulder and side panel, storage compartment in doors, monoposto, instrument cowl, knee bolster and function pads

Light package including LED lights illuminating footwell (and engine compartment on Coupé)

Stainless steel pedals with black rubber inserts

19” ‘10-spoke Y’ design alloy wheels

Bang & Olufsen sound system

Stainless steel pedals with black rubber inserts

Image shows R8 V10 model with optional crystal effect paint

R8 V10 plus model equipment

In addition to or in replacement of R8 V8 standard model equipment

Wheels, tyres and suspension

19” ‘5-arm double-spoke Y’ design alloy wheels, 19 x 8.5J front and 19 x 11J rear with 235/35 and 295/30 tyres

Ceramic brakes. Lightweight, ventilated ceramic brake discs to all four wheels, 380mm discs at front, 356mm at rear, 6-piston monobloc anthracite coloured brake callipers with ‘Audi ceramic’ inscription to front callipers

V10 plus Sports suspension with stiffer spring and damper combination for more direct road contact and sportier handling

Seats

R8 bucket seats.* Bucket seats in Fine Nappa leather with R8 embossing. Includes electric lumbar support-adjustment (horizontal and vertical), width-adjustment for the seat surface and backrest, and manually adjustable seat height, longitudinal positioning and backrest angle

Safety and security

Tyre pressure monitoring system

Paint

Metallic or pearl-effect paint

Exterior equipment

Front spoiler lip and rear diffuser in Carbon sigma

Door mirrors in Carbon sigma

Sideblade in Carbon sigma

Dual-branch round tailpipes in polished black

V10 badges on front wings and engine bay

Interior equipment

R8 3-spoke contoured flat-bottomed multi-function Sports steering wheel in perforated leather. More heavily contoured and ergonomic steering wheel rim in perforated leather with R8 badge (with gear-shift paddles for S tronic transmissions)

Inlays in Carbon sigma

Light package including LED lights illuminating footwell and engine compartment

Stainless steel pedals with black rubber inserts

Auto-dimming rear-view mirror

19” ‘5-arm double-spoke Y’ design alloy wheels

Door mirrors in Carbon sigma

R8 bucket seats

Rear diffuser and polished black tailpipes

*Please note the R8 bucket seats do not include seat side airbags or ISOFIX. Sports seats which include seat side airbags and ISOFIX (WLF/PIE) are available at no additional cost.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £590.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 78 for details) and first registration fee at £55.00. Vehicle Excise Duty correct at time of going to print, but this may alter to reflect any change in the applicable VED rate.

RRP – Recommended Retail. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

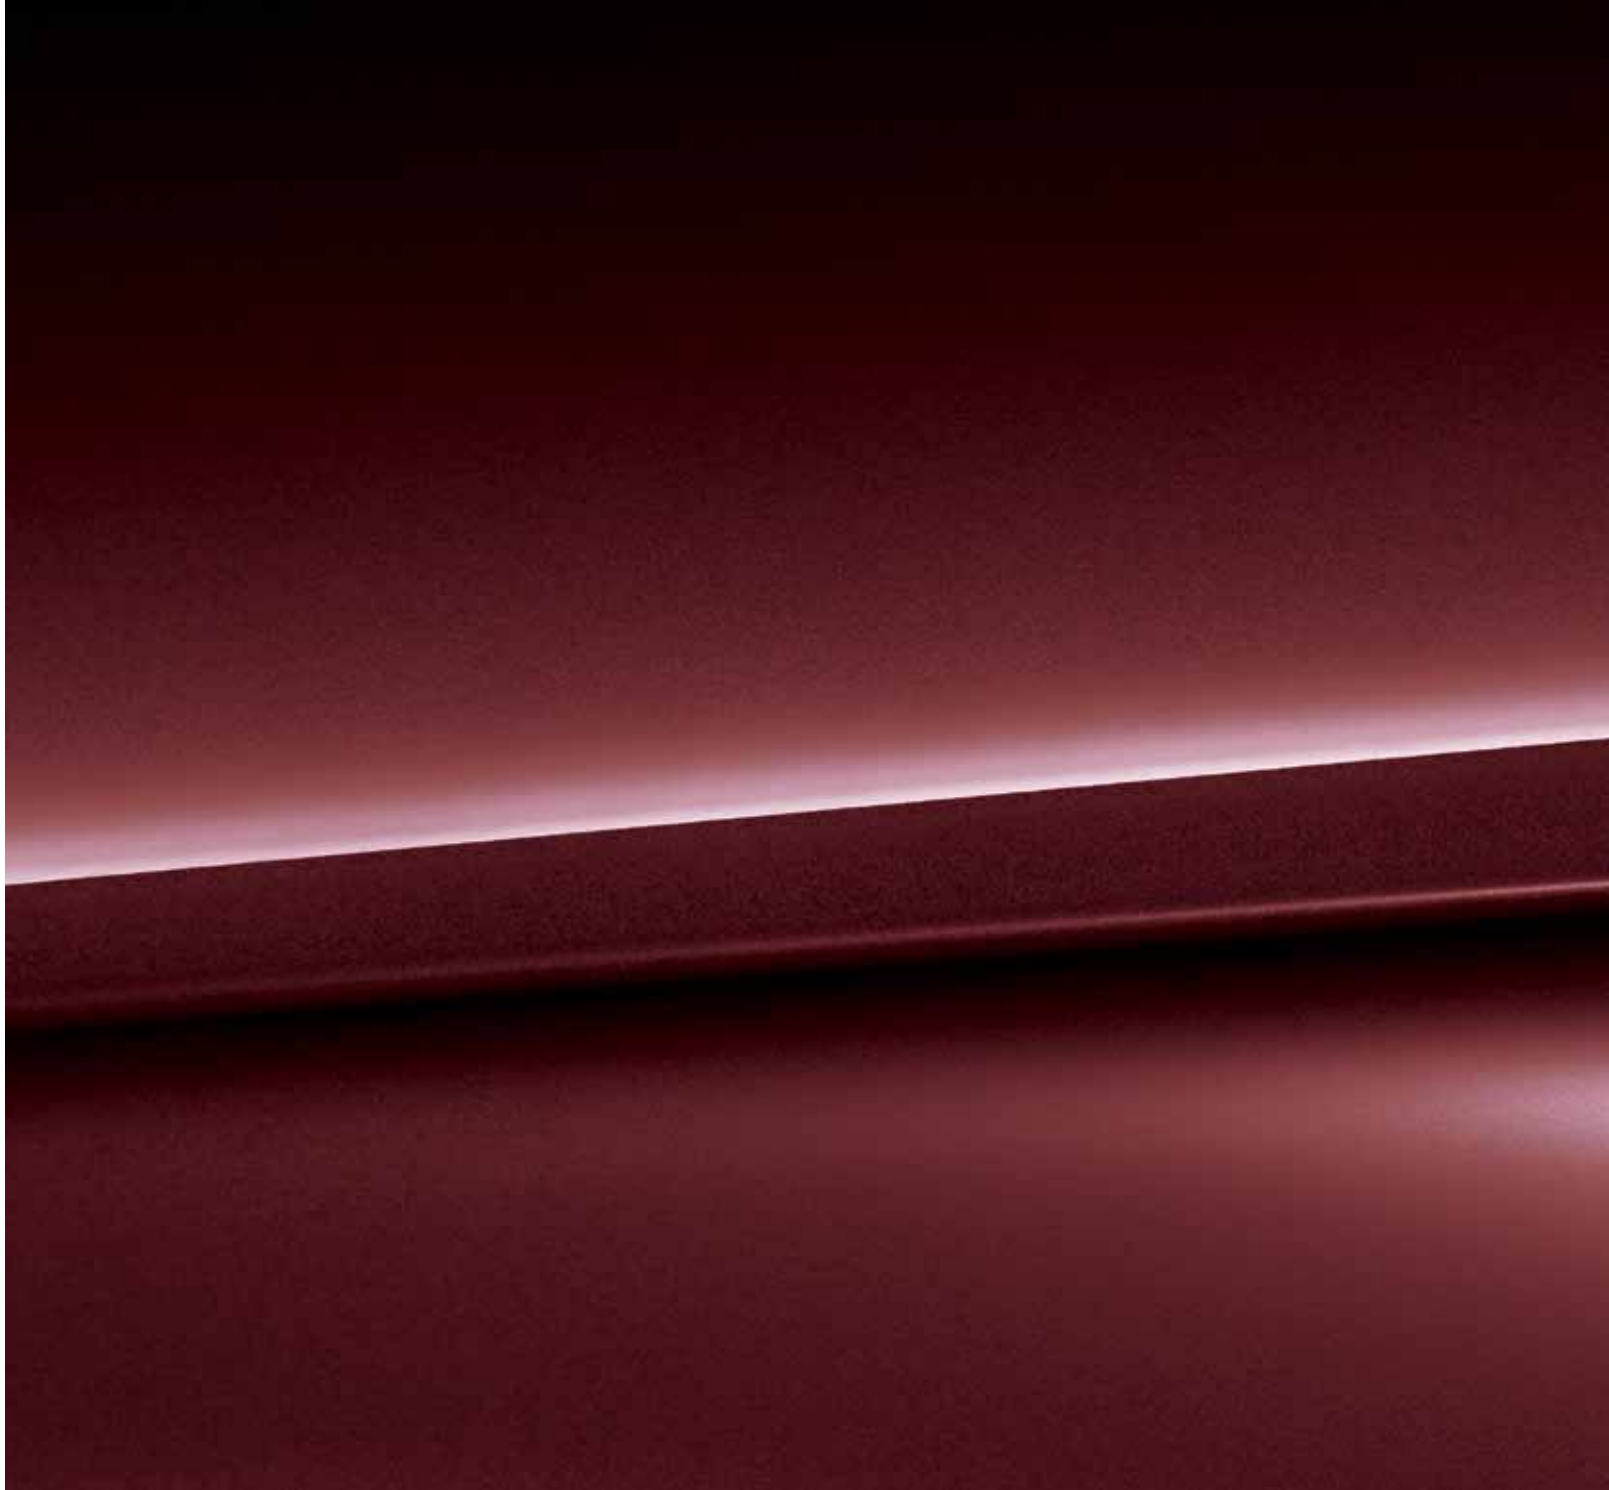
Audi exclusive

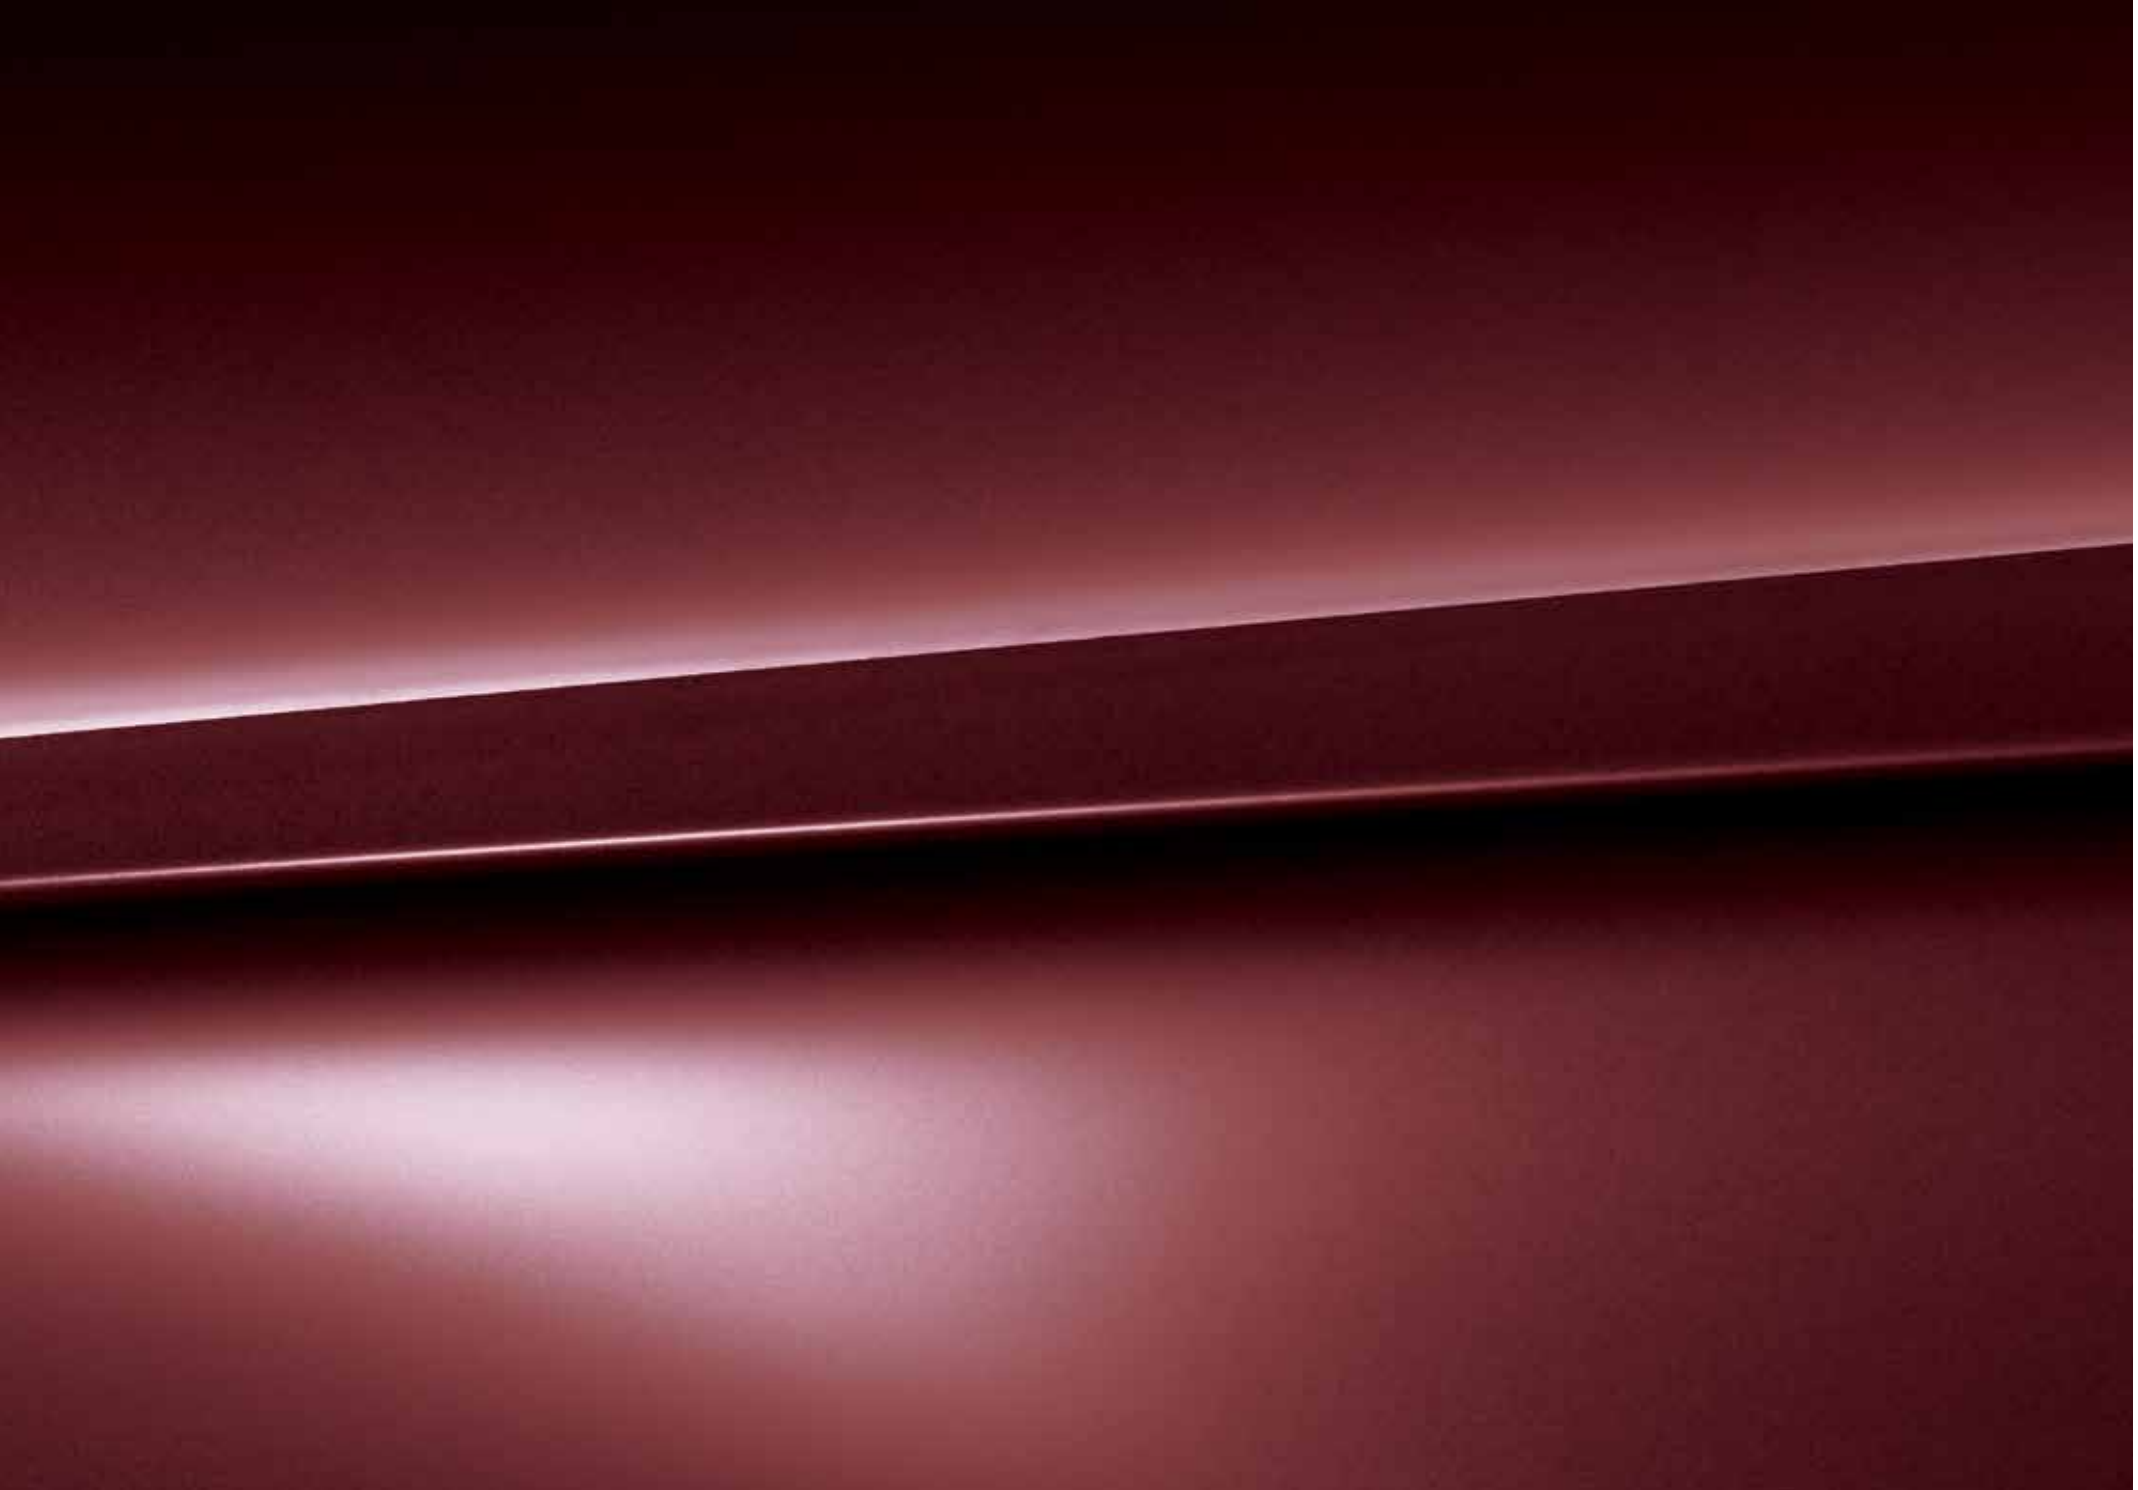
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new R8 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





Paint

R8 Coupé

Upholstery

Audi exclusive

With Audi exclusive, you can choose between Fine Nappa leather and leather/Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown here.

Choose just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.
Dash board/Monoposto: available in all the Audi exclusive colours shown, except for Alabaster white, Magnolia white, Sand beige, Powder beige and Cloudy grey.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi R8 model range and is therefore subject to change and mileage/model dependent.

Factory Collection from Neckarsulm

An exclusive event

When you choose an Audi R8, you become the owner of a very special car. To reflect this, we offer you the opportunity to visit the equally stunning birthplace of this model. At Neckarsulm you can witness for yourself the pride and dedication that goes into every single R8 we produce.

Planning your day in Neckarsulm

When you choose Factory Collection, we will provide you with your own Factory Collection book. It contains all the information you'll need, including ideas and inspiration for planning your visit, your journey to the factory and your route home in your brand new Audi R8.

Order Code		V8 Coupé	V10 Coupé	V10 plus	V8 Spyder	V10 Spyder	Basic RRP	Total RRP inc VAT

R8 Driving Experience

The Audi R8 is a car that combines breathtaking performance, beautiful design and renowned Audi technology. As part of your purchase, you will be invited to participate in an exclusive Audi R8 Driving Experience so that you can explore its full potential.

The circuit

Silverstone is the home of the British Grand Prix and the ideal setting for the Audi R8 Driving Experience. The course takes place at the infield driver training area and out on the Stowe Circuit, which features a great mixture of long straights, fast corners and technically demanding chicanes. So it's the perfect place to explore the performance and handling of the R8, as you do things that simply wouldn't be possible on the open road.

The Experience

This is your opportunity to hone your driving skills at Silverstone, where you'll have a chance to sample the unbridled power of the R8 V10. This performance car features a 5.2 FSI engine, quattro all-wheel-drive and a lightweight Aluminium Space Frame, enabling it to sprint from 0 to 62mph in a mere 3.6 seconds. The result is an unforgettable driving experience.

Our expert instructors will coach you in car control and controlled driving at speed, showing you how to evaluate risks and recognise dangers. You'll get to try a whole range of techniques, including effective cornering, controlled understeer, high-speed lane changes, braking at speed and avoidance manoeuvres – it's a chance to push your driving abilities to the limit. Finally, you'll go for 'hot laps' with an instructor, who'll show you exactly what the R8 is capable of in the hands of a professional.

Visit audi.co.uk/R8drivingexperience for terms and conditions

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving
	Service intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows;

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory-fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a four-year or five-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.
